

Hydrant Flushing Schedule 2010

Commencing May 10, 2010 the Municipality of Lambton Shores will be conducting the Hydrant Flushing and Maintenance Program in the following locations as scheduled below:

EAST LAMBTON SHORES

Ipperwash and Port Franks
Grand Bend to Northville
(Including all subdivisions along Highway 21) May 10 to June 18

Theford, Arkona
Rural Distribution System August 3 to September 3

WEST LAMBTON SHORES

Forest June 14 to June 18

West Bosanquet
Including Lakeview Haven, Glendale Beach,
Lake Valley Grove and Lakeshore Road to
Indian Hills Golf Course
Rural Distribution System June 21 to June 25

During the above maintenance procedure, you may notice some discoloration in the water from the taps, flushing toilets, doing laundry etc. We recommend that you run the cold water tap for few minutes or until the discoloration disappear.
