

## **Code of Environmental Conduct for Lambton Shores Marinas**

While enjoying the natural beauty and amenities of the area, please respect the fragile nature of this wonderful location. Thoughtlessness and/or lack of understanding can cause irrevocable damage to our ecosystem and spoil the area for future use.

Please follow the Municipality of Lambton Shores Code to ensure an enjoyable stay for everyone;

- \*Help us protect the natural environment and the landscape surrounding the Harbour, for you and others to enjoy

- \*Please do not interfere with or damage any water safety equipment-this may be needed to save lives

- \*Please use the waste recycling and composting facilities located at the back of the Harbour Building

- \*Please ask the front office for details on facilities for hazardous waste: waste engine oil, lead acid batteries etc.

- \*Guard against all risk of fire and please only light fires in designated areas. Only natural fire wood is to be burned in the park. No scrap lumber or building materials.

- \*Please do not damage or interfere with fencing, tables seating and signs.

- \*Dogs must be kept on a leash at all times. Owners are responsible for cleaning up after their pets.

- \*Any boat repairs, washing or painting within the Harbour Area is strictly prohibited

- \*Berthing only in designated areas.

Please help to protect the area for future generations by observing this code.
