Community Grant Vibrancy Funding

Project/Event Description:

What specific results were achieved through the funding of your project?

Did this grant benefit the community as anticipated or expected? Explain.

As a result of this grant did your organization increase or enhance partnerships and collaborations with other groups in the community? Explain.

If you received a financial grant, attach to this report:

- A financial report that outlines the project income (funding) and expenditures.
- Invoices for the event, program or project.
- Photos of the completed event, project or program
