

LEGACY RECREATION CENTRE - COVID-19 MAP

	Denotes skate tying and untying area for players that need assistance. Ice users that require assistance must proceed to the Skate Tying and Untying Area when they are ready for their skates to be tied. Spectators assisting with skate tying must move to the stands immediately after the skates have been tied. Ice users must go to their assigned dressing room once their skates have been tied until their coach comes to take them to the ice. After the practice, skaters that need help untying their skates will proceed to the lobby. Spectators helping skaters may proceed to the lobby to untie skates only and then must leave the facility through the Ice Users Exit.
	Areas normally opened to public that are closed
