**THE SPECIAL MEETING OF COUNCIL** is to discuss the revisions that may be required to the Official Plan. It is intended to provide an opportunity for the public to offer comments regarding any issue or matter that should be considered during the Official Plan Review process. Members of Council will also be providing input on their issues or matters to be considered during the Official Plan review.

### **BACKGROUND ON THE OFFICIAL PLAN REVIEW**

The Municipality of Lambton Shores Official Plan outlines the Municipality's goals, objectives, and policies primarily used to support growth, economic development, and building Lambton Shore's future. The plan also establishes a framework for managing the effects of growth on the social, economic and natural environment of the Municipality.

The *Planning Act* requires that an Official Plan be updated to ensure that it: conforms with provincial plans or does not conflict with them; has regard to matters of provincial interest; is consistent with provincial policy statements; and addresses recent legislative changes. Taking into account the timing of the approval of the current Official Plan in 2015, the introduction of a 2020 Provincial Policy Statement and amendments to the *Planning Act, R.S.O., 1990*, as well as a new Lambton County Official Plan, the Municipality has initiated a comprehensive update to its Official Plan.
