FOUNDATION

COVID 19 – Will you help?

During this unprecedented crisis, we must do everything we can to support the most vulnerable in our community. The Grand Bend Community Foundation COVID 19 Emergency Relief Fund will be distributed to local charities providing food and other essentials to people who need them now.

Double your impact! For every dollar you donate to this cause, the Foundation will donate one dollar, to a maximum of **\$15,000**. Special thanks to the Grand Bend Rotary Club for providing \$5,000 toward this matching program.

The Foundation Board will determine how the funds are distributed, and report back to all donors.

To donate from your computer or phone, simply click [CanadaHelps](#). You will receive an official tax receipt automatically.

For more information, contact grandbendcf@gmail.com or call 519-619-8630.

Let's practice physical isolation but social connectedness! Stay safe, stay home.
