Ontario Street North Reconstruction

March 11, 2022

Dear Property Owner/Resident,

The Municipality of Lambton Shores is undertaking a construction project in your area. This letter provides details about the project and information on how construction may impact you.

Project Details

Location: Ontario Street North (Highway 21) between Main Street and North Grand Bend Limit

Schedule: Phase 1: Start date – March 2022, Summer Shutdown - June 17, 2022

Phase 2: Start date – September 6, 2022, Completion – November 30, 2022

Oak Street Improvements: Start date – September 6, 2022, Completion - November 2022

*Note: Final coat of Asphalt on Phase 2 will be completed in Spring 2023

Scope: Replacement of watermain, sanitary sewer, storm sewer, curb and gutter, sidewalks, and asphalt paving on Ontario Street North (Highway 21)

Consultant: BM Ross and Associates Limited

Contractor: Birnam Excavating

How will Construction Impact You?

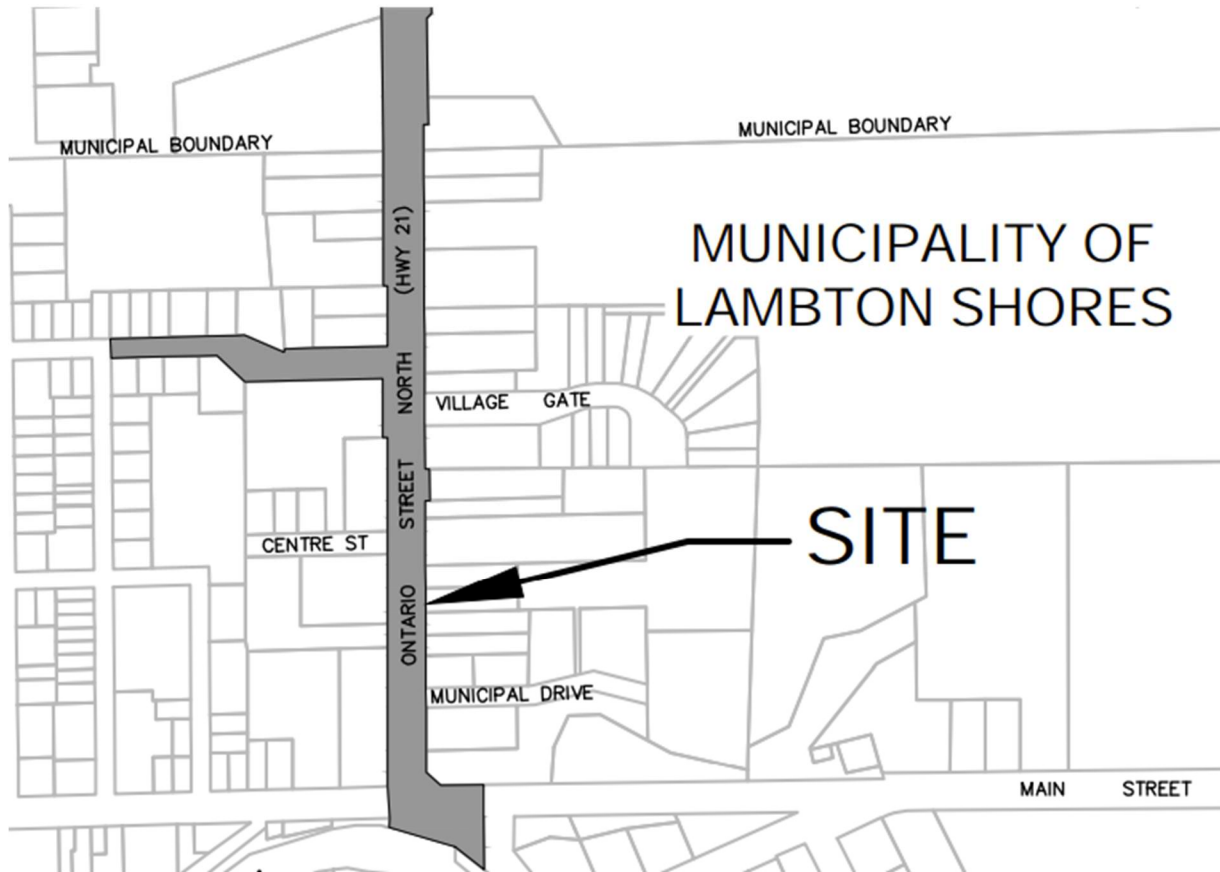

Road Access: Ontario Street North (Highway 21) will be open to two-way traffic at all times however there will be lane closures. The Contractor is required to maintain access to driveways and entrances with the exception of during periodic closures which will be required when work is to occur directly in front of or within the driveway or entrance. Your patience and understanding are appreciated.

Garbage and Recycling Collection: If your pick-up point is temporarily blocked by construction the Contractor will assist in collecting and transporting your garbage and recycling. Note: *All property owners are requested to write house numbers on their Garbage and Recycling Containers to avoid them getting misplaced or lost during garbage pickup.*

Water Services: The scope of this project includes a new watermain system, which may require shutting down water service temporarily. Notice of water shutdowns will be provided by letter at least 48 business hours in advance of water interruptions for businesses and 48 hours for residences. As always, water supplied to your residence will be of the highest quality and absolutely safe to drink.

Vibration: The possibility of vibrations due to compaction equipment during construction is not anticipated to be significant; however, the potential does exist during construction. Please protect your valuables that may be susceptible to damage due to vibration.

Property: The municipality will not be responsible for owner installed items within the road allowance, such as sprinklers, landscaping, lamp posts, etc. If you have any of these items, we would recommend that they be removed during the project.

E-mail Contact List: The Municipality encourages residents to sign up for email updates regarding this project by emailing with your address to nverhoeven@lambtonshores.ca .
