

NOTICE

2026 Asphalt Resurfacing Project

April 20, 2026

Dear Property Owner/Resident,

The Municipality of Lambton Shores has initiated a construction project in your area. This letter provides details about the project and information on how construction may impact you.

Project Details

Locations: Frances Drive (South End to North End), Forest; Stanley Street (Park Lane to West End), Forest; Christie Boulevard (Pines Parkway to Pine Parkway), Grand Bend; Lake Road (Pines Parkway to Ontario Street South), Grand Bend.

Schedule: Start date – April 27, 2026 Estimated completion – June 15, 2026

Scope: Road resurfacing by placement of asphalt

Contractor: Armstrong Paving and Materials Group Ltd.

How will Construction Impact You?

Road Access: There will be times when the roadway on your street will be obstructed with construction activities. It is expected that your driveway will be accessible most of the time, however there will be short periods of restricted access when construction is working directly in front of your residence. We apologize for any inconvenience this may cause and thank you for your patience while the construction crews are completing the work. The contractor will attempt to tidy up the area as work progresses, but the final restoration is scheduled for near the end of the project. Please note the schedules are subject to change due to weather or other unforeseen circumstances.

Garbage and Recycling Collection: If your pick-up point is temporarily blocked by construction the Contractor will assist in collecting and transporting your garbage and recycling. *Note: All property owners are requested to write house numbers on their Garbage and Recycling Containers to avoid them getting misplaced during garbage pickup.*

Vibration: The possibility of vibrations due to compaction equipment during construction is not anticipated to be significant; however, the potential does exist during construction. Please protect your valuables that may be susceptible to damage due to vibration.

THE MUNICIPALITY OF

LAMBTON SHORES
