Signature

The following changes shall be incorporated into and form part of the Tender Documents.

### Item 1

#### General Clarification:

**Q:** The tender requires bid security in the amount of \$100,000 bid bond, but I don't see anything about a Performance and/or Labour/Material bond being required. Can you please confirm if there are or are not required? If so, what are the percentages?

**A:** The contractors shall provide 100% Performance and Labour and Material Bonds acceptable to the Municipality prior to execution of the contract.

**Q:** Will there be an A/C adjustment included with this tender?

**A:** Yes, contractor shall use the MTO AC Index of the month prior to closing.
